**EDITORIAL****PROFESSOR YURI POGHOSYAN: A LIFETIME OF MEDICAL EXCELLENCE, SCIENTIFIC INNOVATION, AND PATRIOTIC DEDICATION**

With great honor we celebrate the 80th anniversary of Professor Yury Poghosyan, an honorary member of the Editorial Board of the Journal Bulletin of Stomatology and Maxillofacial and an outstanding representative of Armenian medical science and patriotic service.

Professor Yuri Poghosyan has been a member of the journal's Editorial Board since its foundation and has made a significant contribution to its scientific development and continued progress. This remarkable milestone reflects not only his distinguished professional career but also his humanitarian values, dedication to mentorship, and unwavering service to his people. On this special occasion, we express our sincere gratitude and profound respect for his invaluable scientific contributions to our journal. On behalf of the entire Editorial Board, we extend our heartfelt appreciation for the fruitful cooperation over the years and wish Professor Yuri Poghosyan continued health, prosperity, and many more years of productive and inspiring activity.

**Early Life and Academic Journey**

Professor Poghosyan was born on February 14, 1946, in the village of Jrarrat, Hrazdan region, Armenia. From 1954 to 1964, he attended the local high school. In 1964, he entered the Faculty of Stomatology at Yerevan State Medical Institute, graduating in 1969. His remarkable career combines clinical excellence, research leadership, and military service. He served as Chief Physician at the Tsaghkadzor Sports Base Polyclinic, Head of Maxillofacial Surgery Departments in the Armenian Ministry of Defense, and later as Colonel in the Medical Service. Academically, Professor Poghosyan has held important leadership positions, including the Head of the Department of Plastic and Maxillofacial Surgery at the Avdalbekyan National Institute of Health, and is currently the Head of the Department of Head, Neck, and Aesthetic Surgery Yerevan Medical Center and Professor of the Department of Surgical Stomatology and Maxillofacial Surgery at Yerevan State Medical University.
